3. SCOPE

The license type (“**License Type**”) identified at the time of purchase of the Content determines the number or group of End-Users granted a license to engage in permitted use. There are four standard License Types:

License Type Number of End-Users

|-------------|-----|
| Single-User | 1 |
| Multi-User | 5 |
| Enterprise | 10 |

Unless a Single-User License Type is purchased for—and the terms of this EULA are accepted by—an alternate licensee identified to us at the time of purchase, the Purchaser is the End-User. Rights granted under the other License Types may be passed to multiple End-Users in accordance with the definitions above up to the maximum number permissible if all licensees

- have been identified at the time of purchase;
- have been provided an End-User Access Account or other access permissions provided by us; and
- agree in writing to be bound by this EULA.

Additionally, several government License Types are available for purchase as described below. Each government License Type designates a group of government agencies/ministries within a single country (“Group”) as a single End-User. The following government License Types only permit nonprofit/noncommercial use by the End-User.

| License Type | Group |
|---------------------|--|
| ALL-CIV | All civilian government agencies/ministries, at the federal/national, state/provincial, county, local, and municipal levels. |

8. LIMITED WARRANTY

We warrant we have sufficient rights in the Content to make it available to you under the terms of this EULA.

We make no warranty as to the suitability of Content or its fitness for your requirements or intended purposes. In no event will our aggregate liability under all claims relating to the Content or otherwise arising out of this EULA exceed the total amount paid by Purchaser or End-User to access and use the Content.

We disclaim any liability not expressly provided for above.

10. INDEMNIFICATION

You will indemnify us and our licensors, and our/their respective owners, officers, directors, employees, and agents, from all loss, damages, claims, expenses, or attorney’s fees sustained by or asserted against us arising from or connected with (a) your use of the Content for any purpose; (b) your breach of any term of this EULA; or (c) any property damage or injury to or death of any person directly or indirectly caused by you. The exclusive jurisdiction and venue for any legal action arising out of this EULA will be San Francisco, California. A material breach of this EULA adversely affecting our proprietary rights may cause irreparable harm to us, for which a remedy at law would be inadequate; we will be entitled to injunctive relief in addition to any remedy we may have under this EULA or at law.

14. COMPLETE AND BINDING EULA

Subject to any specific terms of an order for Content incorporating this EULA, this EULA constitutes the complete and exclusive understanding between the Parties relating to its subject matter. If any provision is determined to be invalid or unenforceable, the remaining provisions of this EULA will continue to be valid and enforceable. Our failure to enforce any of the provisions in this EULA will not constitute a waiver of our right to do so.
